Dear Parents/Carers,

YEAR 3 SUMMER TERM 2023 – ACTIVITIES

We have a busy final term ahead in Year 3 and wanted to let you know in advance of these exciting opportunities and events.

1. Storyteller Clive PiG – <https://www.clivepig.co.uk/>

International Storyteller and Children's Author, Clive Pig, will be visiting the children in Year 3 to share stories and fables in the rainforest setting and will be supporting them with their own imaginative ideas for writing through a morning workshop. There is a small voluntary contribution for this workshop, which can be paid via School Money in the usual way. The cost per child is £3.73. Thank you for your support with this.

2. Design Technology – sewing afternoons

Each class will complete three afternoons of DT during the final term, where they will have the opportunity to learn and improve on their sewing skills, as they design and make a felt hand puppet. If you are able to offer any time to support with this learning in class, we would be very grateful for your time, the extra pair of hands and sewing skills (whatever they may be!). Please complete the note below if this is something you may be able to help with and Mrs Hardy will contact you to discuss the options further.

3. Swimming at the Life Centre – w/c 17th July

We are really fortunate to have secured a week of swimming lessons at The Life Centre for the children in Year 3. These lessons will take place Monday – Friday of this week and we will be out of school between 9:30 and 11:30am. Our swimming slot is 10:15-11:00am. This is an exciting opportunity for all the children, and we are looking forward to it. The children will be grouped according to their ability and taught by qualified swim instructors. Please see the letter on reverse from The Life Centre and we will provide more information, including a drop-in session, nearer the time.

If you have any further queries or questions, please do not hesitate to contact a member of the Year 3 team.

Kind regards, from the Year 3 team.
