Wednesday 3rd May 2023

Dear Parent/Carer,

This week Miss Renouf attended a meeting with event organisers to receive final details and collect t-shirts and race numbers. We will be holding an open afternoon on Tuesday 9th May from 3:30-4pm in Orca class for you and your child to collect their t-shirt and race numbers, ensure medical information is up to date and ask any questions about Race Day.

On Sunday 14th May, we will be meeting at 10:30am in Millbay Park, on West Hoe Road, opposite the Duke of Cornwall Hotel. All children must arrive with their number attached to their t-shirt by 10:45am when we will then leave to walk up to the schools' compound on The Hoe. We must be in the compound by 11:15am so cannot wait for latecomers unfortunately.

You are welcome to walk up to The Hoe with us but, due to safety regulations, will not be allowed into the compound. Only adults wearing official race t-shirts can enter.

After the run we will gather all the children back into their groups and walk back to Millbay Park where we will then allow each child to leave. Please meet us there rather than trying to take your child as we leave the compound and walk across the Hoe. We will head straight back to Millbay Park once all Lipson Vale children have completed the run. We are unable to specify an exact time as this may vary depending on the day's running times.

Thank you for all your support with the Half Marathon Schools Challenge.

Yours sincerely

Mr Peacock, Mrs Wilkinson, Miss Renouf & Mrs Pope
