21st April 2023

Dear Parents and Carers,

During the week beginning 22 nd May 2023 your child will have the opportunity to take apart in the Bikeability scheme. This is an annual event provided, free of charge, to all the children of Year 6, by a team of instructors who spend a week teaching the children to ride their bikes. All levels of riding experience are catered for by the team and the children have found this to be a very exciting and rewarding week. If you would like to find out more about the scheme please click on this link:
<https://bikeability.org.uk>.

In order for your child to take part, you will need to click on the link below, read the information and fill in the form which will appear. This form needs to be completed as soon as possible (and no later than Friday 5th May) so that the final arrangements for this excellent experience can be arranged. Equipment (bikes and/or helmets) will be provided as long as you indicate this on the form making it clear what you require.

If you have any questions, then please contact one of us via the office and we will get back to you.

Thank you for your continued support,

Miss Welsh and Miss Cusack

Together we are inspiring a community with a bright future
