Dear Parents/Carers,

Digital reading record, BoomReader

We would like to remind you that our home reading records are completed via BoomReader, the award-winning app designed to support teachers, parents, and children in logging their reading and tracking the books they enjoy. This digital reading record makes recording reading both simple and rewarding.

You can access BoomReader on a smartphone or via the web at <https://www.boomreader.co.uk/parents>. The app is free to download and use and allows you to view reading records for all your children in one place. There is also a dedicated Parents section on the website with further information. A brief guide is attached and we are happy to answer any questions you may have.

Expectations

Your child's login details will be sent home shortly. We encourage you to start using BoomReader as soon as possible and aim to **log your child's reading at least three times per week**. Children's reading will be monitored at school, and those meeting this expectation will **receive a raffle ticket** each week, with the chance to win a free book each half term. We are confident your child will enjoy recording their reading with you and seeing their progress celebrated at school.

While the most important part of home reading is the reading itself, BoomReader makes logging and celebrating your child's achievements easier than ever.

Kind regards,

Mrs Low
Reading Lead

Parent App Quick Start Guide

1

Download

search:
boomreader parents

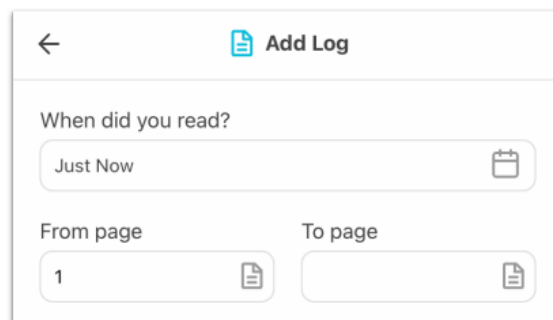

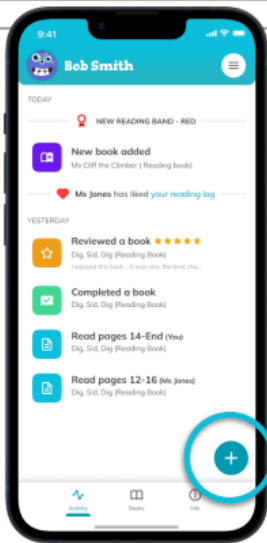

2

Create Account

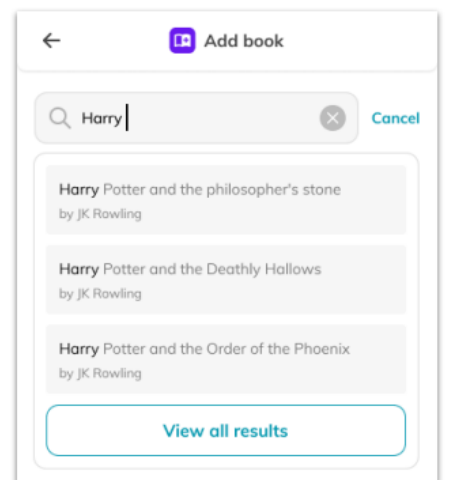

use your email to create
your parent account

3

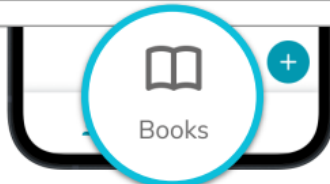

Connect to Child

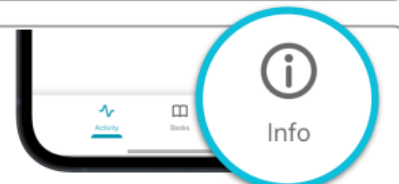

Add a new book or reading
log just by tapping the plus
button.

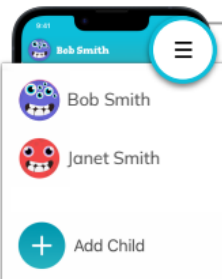

All the reading activity for
your child.

See every book your child
has read.

Add reminders and access
your child's account

Connect to all your children's reading
diaries in one app.

Effortlessly swap between each of your
children's reading diaries.
