Dear Parent/ Carer,

Plymouth City Council has received funding from the Department for Education to deliver a programme of funded holiday clubs this Christmas.

Your child is invited to attend any of these fantastic clubs for free. Participants can choose a programme close to where they live or choose one more suited to their interests. Each child can attend a maximum of **4 days** over the 2023 Christmas holidays, which can be spread across one or more holiday clubs.

The Fit and Fed holiday clubs will provide a safe and fun environment where children can experience a wide range of amazing activities including sports, dance, arts and crafts and much more. Every child will also receive a healthy nutritional meal or packed lunch each day.

There are limited spaces available so places will be given on a first-come-first-served basis. When applying for your chosen holiday club **you will need to provide your child's unique Fit and Fed code** which was provided to everyone before the Summer holidays, if you have forgotten your code please contact the Sports Development Unit on sportsdev@plymouth.gov.uk with your child's name, date of birth and school.
