

Reading

- Please read as much as possible.
- Sign the reading diary every time you read something.
- Remember to read a range of things- comics, menus, instructions for games etc.

History

- Draw a diagram of a Roman soldier. Include the armour and weapons he would have worn,
- Research Roman Gods- present your findings in an interesting way.
- Research Roman mosaics.
- Design a clock using Roman numerals.

Art/DT

- Create a model of the Colosseum.
- Design and draw a Roman town,
- Sketch yourself as a Roman bust
- Design your own Roman mosaic. Think carefully about the shapes, patterns and colours you use.

Science - Plants

- Look carefully around your garden or the local area. Make notes on the types of plants you find. Consider how they change over the coming months. Record your observations in anyway you can.
- Draw a careful diagram of a plant and label its parts.

Reading

Writing

- Write a diary entry about a day in the life of a Roman soldier.
- Write instruction on how to make an Italian pizza. Remember to include an ingredients list and diagrams.
- Retell the story of Romulus and Remus – use pictures to help.

Maths

Play T.T. Rock Stars

- Find out about Roman numerals.
- Use the Roman numerals to make up calculations. Find a friend or family member to work out the answers.

Spellings

Learn your weekly spellings.

Learn words from the Y3/4 spelling list.

- Create an information sheet on the Celtic way of life. You could include facts about clothing, food, housing, religions and weapons.
- Find out about Queen Boudicca and her tribe. Write a speech – What would she say to her army to motivate them to fight against the Roman army?
