

Dear Parents and Carers,

We are delighted to support the NSPCC by taking part in Number Day on **Friday 2nd February 2024.**

Number Day is a great way to celebrate the magic and fun of number whilst supporting a fantastic charity and hopefully raising some money to help fund their vital services such as child line.

We are planning a fun day of maths activities; some of them with links to art, music, P.E and design technology. We will be playing maths games, solving puzzles and taking part in challenges. We will also be taking part in *Dress up for Digits*. Pupils are asked to wear an item of clothing with a number on it. This can be a favourite sports top or cap, or even a onesie. Or why not get more creative and design a unique t-shirt, hat or even become a human-sized calculator or dice! To help raise money for the NSPCC, we are asking that you donate what you feel you can.

We're really looking forward to all the fun of Number Day, and we really appreciate your support. Keep a look out for photos of what we get up to on our Facebook page.

Thank you.

Best wishes,
Miss Kaar
