

Tuesday 21st October 2025

Year 4 – Energy from Waste Plant Visit on Tuesday 2nd December 2025

Dear Parents and Carers,

We are very pleased to inform you that on **Tuesday 2nd December**, we will be taking the Year 4 children to the MVV Energy From Waste Plant in Devonport as part of our environment themed geography topic on oceans and seas. During the day, the children will be given a tour of the facility and learn about the ways our rubbish is processed in Plymouth and the surrounding area.

Both classes will leave school after registration and return to school by 3.00pm, so there should be no change to the usual drop off and collection arrangements.

Please ensure that your child brings their own drink, a snack and a packed lunch within a bag. If your child is entitled to a free school meal, we ask that you choose a lunch option from the options below. Can you also please ensure that your child wears their school uniform but has sensible shoes for walking and brings a waterproof jacket.

In order to cover the cost of the coach to and from the Waste Plant, there is a **cost of £4.65 per child**, payable via School Money in the usual way.

Please complete the slip below and return by **Monday 17th November**. If you have any questions or concerns, please do not hesitate to speak to us.

Many thanks for your continued support,
Mrs Low and Mrs Tremayne

✂

I give permission for my child to take part in
the trip to The MVV Energy from Waste Plant on Tuesday 2nd December

Signed:

If your child is entitled to a school packed lunch, please indicate below what sandwich they would like:
