

Lipson Vale Primary School

Thursday 18th April 2024

Dear Parents,

In just over three weeks time we are planning to start a new recorder club for a group of year children and some other children from other year groups. Learning to play an instrument has many benefits for a child's development. There has been much research to confirm the educational rewards that can be the result of regular musical practise.

We plan to take the group at 8.40 just before school time on a Thursday morning and will inform you of the start date when names have been collected. Children will need to have their own recorder, these can be bought online or from Argos. Initially music and books will be provided. The children will be expected to attend all the practices, a register will be kept. They will also need to complete some independent practise at home to take their recorder playing forward.

Could you please complete the form below if you would like your child to have lessons?

We look forward to welcoming more musicians at Lipson.

Mrs Fice Music Lead

Recorder Tuition: Summer term beginners group

My child _____ class _____

would like to have recorder lessons at school. I understand that they will need to bring their own recorder to their lessons. I understand that they will also need to attend regular practises.
