BikeBus

Well done to the children who came to ride at the 'BikeBus' this morning. The children and volunteers had roadworks to negotiate today so not our easiest ride yet but the children did very well! We will arrange more dates soon as the weather keeps improving!

WHO WE ARE

Plymouth Hygiene Hub is a new joint social action project between: Transforming Plymouth Together, Peninsular Dental Social Enterprise and a number of local churches.

WHAT WE DO

We provide low cost hygiene products and basic dental health advice to families in need.

No referral is required.

HOW DOES IT WORK?

Parents and carers can sign up for an annual membership of £1.50. New members get a free dental kit with toothpaste and toothbrushes. After that, members can return every 6-8 weeks, and receive further supplies for a modest contribution.

Looking ahead, we hope to introduce more low cost hygiene products, but for now we are focussing on dental health.
